Pressestimmen

"For those who still get their "-stans" mixed up, Hiro's book provides a detailed and nuanced overview of the region of central Asia. He explains the ethnic tensions, religious intolerance and struggle for political identity in the lands caught between two behemoths the splintered Soviet empire and the rising Chinese one."

-Financial Times, Best Books of 2009

"Readers acquainted with Mr.Hiro's prolific writing about Asia and the Islamic world will be unsurprised to learn that

Inside Central Asia is a conscientious guide to the region,
full of dependable history-telling and analysis."

-The Economist

"Hiro's account provides a fast-moving and well-sourced
genealogy of the Central Asian republics' political and
economic trajectories, focusing on the post-Stalinist period
up to the present day. It is unlikely that more comprehensive
analysis of this period in Central Asia has been written, and
it serves as a valuable update to Hiro's earlier *Between
Marx and Muhammad: the Changing Face of Central Asia*."

-Issac Scarborough, n+1
