EARLY DOCUMENTS OF WORLD HISTORY. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions.

This collection combines early English perspectives on world history with documentation of Parliament records, royal decrees and military documents that reveal the delicate balance of Church and State in early English government. For social historians, almanacs and calendars offer insight into daily life of common citizens. This exhaustively complete series presents a thorough picture of history through the English Civil War.
