A Research and Information Guide (Routledge Music Bibliographies)

Ausgabe **KINDLE**

Ethnomusicology: A Research and Information Guide is an annotated bibliography to books, recordings, videos, and websites in the field of ethnomusicology. The book is divided into two parts. Part One is organized by resource type in categories of greatest concern to students and scholars. It includes handbooks and guides; encyclopedias and dictionaries; indexes and bibliographies; journals; media sources; and archives. It also offers annotated entries on the basic literature of ethnomusicological history and research. Part Two provides a list of current publications in the field that are widely used by ethnomusicologists. Multiply indexed, this book serves as an excellent tool for librarians, researchers, and scholars in sorting through the massive amount of new material that has appeared in the field over the last decades [Publisher description]
