Beschreibung:

I consider it an obligation to write a book about my benefactor after His physical departure from this world. This book is in English; it has certain sections updated so it does not follow the Turkish version textually but they are along the same line. If you like reading New Age books like the Castenadas and the Lobsang Rampas, this book is for you. If you are a musician you will also find sections that may interest you. Asst. Prof. Rahmi Oruc Guvenc was known as a musician and a Master of Music-Sufism connections in the West. In this book, you will find a concise rendition of his teachings, works, and endeavors. Enjoy the read! "...but this book is about Oruc Bey. If this book attracts attention and if there is demand, I would very much like to write about my apprenticeship with him. But my aim in this book is to outline the life and works of Rahmi Oruc Guvenc and provide insight into his teachings. I have no wish to crowd the book with details like dates, places, and names."
